CHANTAL SALAMA
CEO

NEWCHEF Fashion, Inc. has revolutionized the culinary industry with unique, fashionable, and moderately priced uniforms. Before our inception in 1989, culinary apparel was drab and unappealing—our elegant fabrics, decorative trims and ribbons, colorful prints, and slimming “V” lines have made restaurant staff look as delectable as their food tastes. Our in-house graphics team can further enhance the apparel with custom-designed embroidery to ensure an original and unparalleled image. We create uniforms for the entire staff from Culinary, Wait Staff, Kitchen and Front of the House.

Whether you need to outfit a staff of one or one thousand, NCF has you covered. We offer specialized and tailored designs to meet the needs of all your employees from sizes small and petite to big and tall. Our manufacturing capabilities, expert knowledge, and design skills will set your staff apart from business contemporaries. Utilizing only the highest quality materials and prompt manufacturing and turnaround has always been our standard.

Starting with a single, specially designed jacket for the Toque Blanche organization, NCF has blossomed into a world-renowned culinary fashion design leader. Though we maintain over 40,000 accounts with some of the most prestigious hotels, casinos, country clubs, culinary schools, restaurants, cruise lines, and various branches of the military, we retain an entrepreneurial customer service ethic. We know our customers have made us what we are today, in turn, we produce the most efficient service at the most competitive cost.

Co-founded by a talented fashion designer and a manufacturing and merchandising expert nearly two decades ago, NCF now boasts the honor of being the official outfitter for the American Academy of Chefs (AAC). Many well-known chefs’ organizations—Chaine des Rotisseurs, World Association of Chefs Societies (WACS), Golden Toque and many Chapters of the American Culinary Federation (ACF)—have also entrusted NCF with their uniform and embroidery requirements.

Our knowledgeable customer service representatives are dedicated to making your experience as professional yet personable as possible. You will never be just an account number. We create real work wear for real working people, and we strive for the utmost efficiency and satisfaction with all our clients. You can depend on us to go well beyond all your expectations.
